There was no invocation because no clergyman was available.

The Moderator requested the check lists be brought to the hall.

The Moderator stated he would entertain a motion limiting debate.

No motion was presented.

Moderator stated voting will be by a show of hands unless there is a question of result of a vote; there then will be a standing vote with count.

No by-laws made relative to reconsideration. Moderator ruled that motions to rescind or reconsider are to be made immediately following action on a motion.

John Leclair stated all results of the March 12 election were announced by the Moderator at the conclusion of the count and questioned the status of Referenda 3 and 4.

Mr. Holloway stated that as Moderator he had no authority to declare Zoning and Sub-division Control abolished.

Mr. Riley inquired if the Dwight Avenue project had been completed. Told by E. N. Eaton that it has not been completed and considerable work remains to be done.

In response to an inquiry about the New Lands appropriation Mr. Eaton replied that the Town Meeting voted 3 years ago that the money in the fund be applied to the new cemetery between New Zealand Road and Fogg's Corner.

James C. Falconer inquired as to the reason for the delay in the layout of streets, including Pine Street and the Cemetery Road. E. N. Eaton stated these accounts had been passed to him three years ago and asked why they hadn't been done then.
